

Sustainable development through sport

Co-funded by the Erasmus+ Programme of the European Union

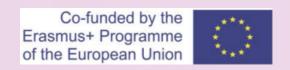

Self-Exploration and Entrepreneurship Training

INFO PACK

20-25.06.2022 Dojran, Macedonia

Brief Information About the Project

"Sustainable Development Through Sport" project is funded by Turkish National Agency with "2019-1-TR01-KA204-077742" reference number under Erasmus+ KA2 Strategic Partnership in the field of Adult

Education Action with the organizations from Turkey, France, Macedonia and Slovenia.

The project consortium consists of:

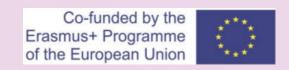

Project duration is 36 months and planned to be held between 01.09.2019 - 31.08.2022.

Project Objectives:

Our project aims to develop the key competences and reach UN Sustainable Development Goals of adult educators/trainers and empowering disadvantaged women groups through using sports at local and international level

Objectives are:

To find out / to analyze the challenges of Adult Education in partner countries

To increase the knowledge of Adult Educators in the context of "Key

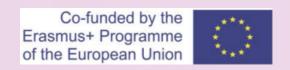

Competences and the importance of them in Life-Long

Competences and the importance of them in Life-Long
Learning" and
the link between Competences and UN Sustainable

the link between Competences and UN Sustainable Development Goals

PARTICIPANTS PROFILE:

30 participants (mostly women in NEET) from each partner organization will attend this 5 days Training course in Macedonia.

Participant profile:

- 1) Speaking fluently in English
- 2) Women or men neither in education, employment nor training (NEET) from 20 to 34 years old.
 - 3) 6 participants per partner organization

The program of the course is designed and run by five trainers who are responsible of developing the Tools for the Adult Trainers (IO-2). The trainers designed the methodology based on CEFE methods™ and

"Entrepreneurship and business skills through sport", "Gender equality", and "Team building activities.

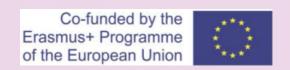

The Participants on the training are expected to aquire:

Entrepreneurial competences: goal setting, information seeking, self-confidence, opportunity finding, moderate risk taking, decision making, responsibility acceptance, learning from failures, persistence, work commitment

- Creativity rules and tools, idea generation and selection
- Market understanding, market share and survey, marketing mix, budget, and plan
